CHAPTER  I. Medical Education in Young America ................. 1
MEDICAL TRAINING IN THE COLONIES .................. 1
MEDICAL TRAINING IN THE REPUBLIC .................. 7
EARLY MEDICAL COLLEGES ............................... 15
LATER MEDICAL COLLEGES ............................... 25
EARLY CHICAGO AND ITS SCHOOLS ..................... 26

II. The Birth of Reform in Medical Education: 1859 ............ 31
THE MEDICAL DEPARTMENT OF LIND UNIVERSITY:  
1859-64 ................................................. 32
ORGANIZATIONAL DETAILS .............................. 35
THE FIRST ANNOUNCEMENT .............................. 38
THE NATAL YEARS .................................. 44
A FIRST BUILDING PROJECT: 1863 ....................... 53
A NEW NAME AND INDEPENDENCE: 1864-70 ............. 58
FURTHER PIONEERING ................................ 61
JUDGMENTS .......................................... 65

III. Northwestern Adopts the “Reform School”: 1870 .......... 71
THE MEDICAL DEPARTMENT OF NORTHWESTERN  
UNIVERSITY: 1870-91 .................................. 72
A SECOND BUILDING PROJECT: 1870 ..................... 76
THE GREAT FIRE: 1871 ................................ 80
THE UNION IN RETROSPECT ............................ 82

xi
IV. Union, with Independence: 1870-1891 .......... 85
   CONTINUED EDUCATIONAL ADVANCES .......... 86
   PRACTICAL MATTERS ......................... 93
   TUITION PROBLEMS ......................... 100
   RIVAL MEDICAL COLLEGES ................... 103
   TRIAL BALANCE ............................... 105

V. Achievements, Issues and Appraisals .......... 109
   PIONEERING CONTRIBUTIONS TO MEDICAL EDUCATION .......... 109
   MATTERS OF POLICY ......................... 116
   A MEDICAL JOURNAL ......................... 122
   APPRAISALS ................................. 125
   THE MEDICAL SCHOOL GRIST .................. 129

VI. A New Name and Home: 1891; 1893 .......... 132
   THE CONTRACTUAL UNION: 1891 ............... 133
   INTEGRATION COMPLETED: 1906 ............... 136
   A THIRD HOUSING PROJECT: 1893 ............. 142
   OTHER BUILDING PROJECTS ................... 147
   THE OUTLOOK ................................ 152

VII. A Period of Transition: 1891-1906 .......... 154
   ADVANCES AND ADAPTATIONS: .................. 156
   NEW CURRICULA ................................ 164
   ADMINISTRATIVE CHANGES .................... 173
   SUCCESS AND CHALLENGE ..................... 176

VIII. Adolescent Adjustments: 1906-1926 .......... 180
   CONSTRUCTIVE SELF-CRITICISM ................ 181
   EDUCATIONAL ADVANCES ...................... 184
   ADMINISTRATION AND ORGANIZATION .......... 190
   MISCELLANY .................................. 196
   END OF AN ERA .............................. 203
IX. A Unified Campus: 1926 ........................................ 206
    ACQUIRING A SITE ........................................ 207
    A CAMPAIGN FOR HOUSING AND ENDOWMENT .......... 212
    A FOURTH BUILDING PROJECT: 1926 ................. 217
    ADDITIONAL LAND ........................................ 225
    SUPPLEMENTARY BUILDINGS ............................. 227

X. Maturity Attained: 1926-1979 .............................. 234
    GENERAL EVENTS .......................................... 238
    ADMINISTRATIVE AFFAIRS ............................... 241
    CONSOLIDATIONS ......................................... 244
    THE FACULTY ............................................ 247
    THE STUDENT BODY ..................................... 251
    ACADEMIC MATTERS ...................................... 256
    THE RISE OF RESEARCH .................................. 264
    AUXILIARY PROGRAMS .................................... 269
    MATERIAL GROWTH ....................................... 272
    INNOVATIONS AND ACHIEVEMENTS ....................... 279
    RECOGNITION OF EXCELLENCE ............................ 280
    FUTURE PLANS AND PROBLEMS ............................ 280

XI. Trials and Troubles ......................................... 284
    TAX CRISES .............................................. 284
    INSPECTIONS ............................................. 285
    PROBLEMS OF POLICY .................................... 289
    ANTIVIVISECTIONISTS ................................... 291
    DISSENTION .............................................. 292
    WORLD WAR I ............................................. 301
    WORLD WAR II ............................................ 303
    STUDENT UNREST ......................................... 304
    INDISPENSABLE SUBJECTS ............................... 306
    AN ALLEGED IRREGULARITY .............................. 313
XII. The Library and Publications .......................... 315  
   CIVIC LIBRARIES ........................................ 315  
   THE COLLEGE LIBRARY .................................... 317  
   THE ALUMNI LIBRARY ...................................... 319  
   THE ARCHIBALD CHURCH LIBRARY .......................... 323  
   THE RALPH A. REIS LIBRARY ............................... 327  
   PUBLICATIONS ............................................. 327  

XIII. Medical Students and Alumni .......................... 334  
   STUDENTS AND THEIR ACTIVITIES .......................... 334  
   ALUMNI AND ALUMNI AFFAIRS .............................. 356  

XIV. Allied Institutions ..................................... 366  
   MEDICAL CENTER HOSPITALS ............................... 367  
   OTHER AFFILIATED HOSPITALS ............................. 388  
   ASSOCIATED FACILITIES .................................. 390  
   FORMER FACILITIES ...................................... 395  

XV. The Founders ............................................. 412  
   NATHAN SMITH DAVIS ...................................... 413  
   HOSMER ALLEN JOHNSON ................................... 423  
   EDMUND ANDREWS .......................................... 429  
   WILLIAM HEATH BYFORD ................................... 435  
   JOHN HAMILCAR HOLLISTER ............................... 440  
   RALPH NELSON ISHAM ...................................... 444  
   DAVID RUTTER ............................................ 448  

XVI. The Deans ................................................. 451  
   HOSMER ALLEN JOHNSON ................................... 451  
   NATHAN SMITH DAVIS ...................................... 452  
   FRANKLIN SEWARD JOHNSON ................................ 453  
   NATHAN SMITH DAVIS, JR. .................................. 455
There Were Giants

Christian Fenger, Pathologist

Isaac Arthur Abt, Pediatrician

Joseph Bolivar DeLee, Obstetrician

Stephen Walter Ranson, Anatomist

Frank Billings, Internist

John Benjamin Murphy, Surgeon

James Stewart Jewell, Neurologist

Other Notables

Epilogue

Appendix
